THE '69 PINOLIAN

Pinola High School

Pinola, Mississippi
1968-1969

The year is '69.
The time is now.
The happening is ours.
We are on the threshold of a new, more responsible life. Filled with happiness--sorrow,
smiles--tears,
friends--foes.
Our first real chance to use the knowledge we have consumed through our learning years at P.H.S.

They told us we were here for a purpose.
To learn.
To understand.
To grow.
Echoes of years past. Then their purposes held no meaning for us.
Still we have not reached our goals but, now as Seniors, we understand the need for a well-rounded education.

Now we strive for a clearer look at the people carrying the torch toward our betterment. We strive for a clearer look at ourselves, the youth of America.

We strive to make ourselves known and heard. Justly we strive to please.

As you wander through our world of images, we ask you to turn your thoughts to '69 and to our statement ...

WE STRIVE TO EXCEL!!

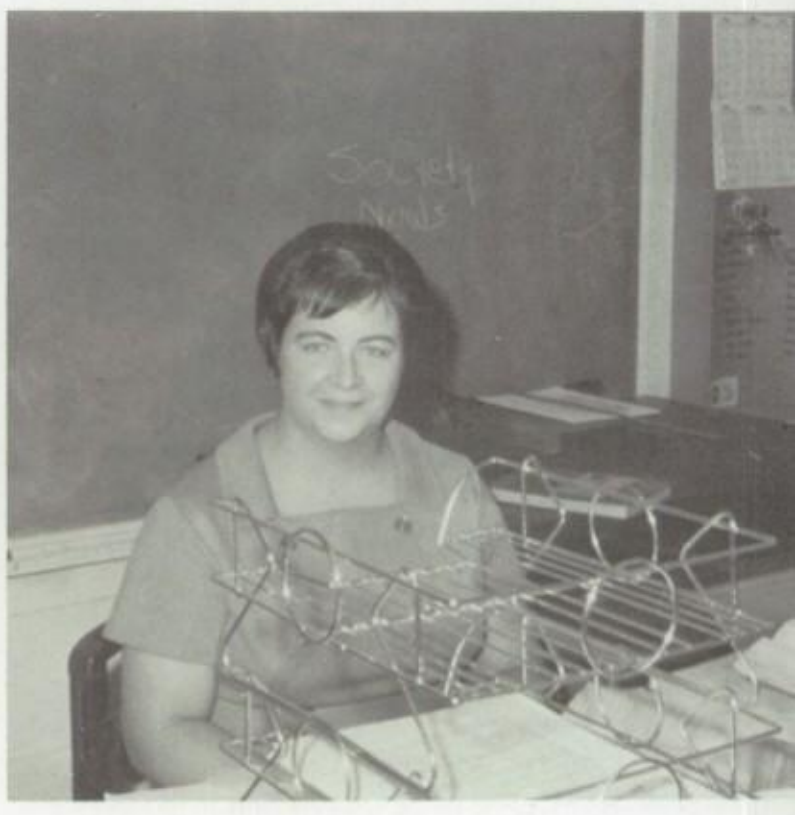
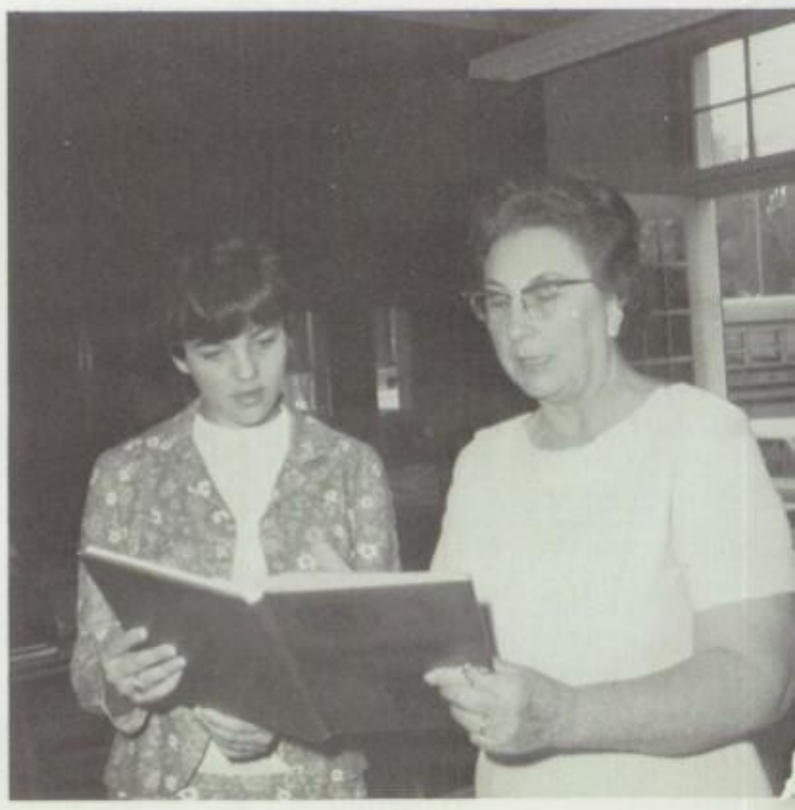
Pinolian Staff Snaps





Dedication

The football season of 1968 will always be remembered as one full of excitement and crowd enthusiasm. But who created that excitement and enthusiasm which seemed not quite as prevalent in the other sports contests? The cheerleaders created it.

The girls took real pride in their jobs and did their very best to stimulate the fans into cheering for the home team. The cheerleaders meant more to P.H.S. than just tradition; they were the sparks that ignited the school's fiery spirit.

So we the members of the yearbook staff, dedicate our '69 Pinolian to the varsity cheerleaders.

In Loving Memory

The '69 Pinolian staff now pauses to remember the teachings of a woman dedicated to the teaching profession, Mrs. Gwendolyn Wigington. Her death was surely felt by everyone she came into contact with through her many years of teaching. Her presence is especially missed here at Pinola Attendance Center.

Senior Class '69

We the graduating Class of 1969, would like to express our appreciation to the people who have made this Annual possible. First of all we thank Mrs. Bishop. Without her leadership none of this would have been possible. She gave us the strength, determination, and pride to publish this yearbook.

Second, we would like to thank all the people who have helped us finance our Annual by taking Ads.

But most of all we want to thank YOU, the student body of Pinola High School, for a wonderful year. We sincerely hope you will always carry out the high standards and traditions of the greatest school in the world - PINOLA HIGH SCHOOL.

TIME, PATIENCE, WORK, AND LOADS OF PERSEVERANCE

These factors the Pinolian staff needs to meet that ever-threatening deadline. Through hours of planning, picture-taking, cropping, copy-writing, and checking, staff members piece together the history of the year involving each individual in the school. The efforts of the Pinolian staff are rewarded when the fruits of their labors are presented to you - the student body.

For the Seniors of '69, this year has been one filled with excitement and dreams. Dreams of a bright future.

In our coming years we hope to achieve a better understanding of our purpose on this good earth. We will realize our mental capabilities and strive to live our lives to the fullest extent.

For our parents and teachers we hold a great deal of love and respect. We thank you for all your understanding and patience. We hope that by our coming years of work and contribution to a more perfect society, we can repay you for your helpful guidance.

We strive to gain recognition in a world with never ceasing occupational stress.

If we can ignite a spirit of creativity in our fellow Pinolians, we have won our purpose as Seniors.

If we can help you recall pleasant moments of this school year, we have succeeded as the yearbook staff of the '69 Pinolian.

We Strive to Excel!

Autographs
